high in air across a chasm fifty feet  
wide, is attracting the lion's share of  
attention and comment.

## Deafness Cannot Be Cured

by local applications, as they cannot reach the  
diseased portion of the ear. There is only one  
way to cure deafness, and that is by consti-  
tutional remedies. Deafness is caused by an in-  
flamed condition of the mucous lining of the  
Eustachian tube. When this tube is inflamed  
you have a running sound or imperfect hear-  
ing, and when it is entirely closed, deafness is  
the result, and unless the inflammation can be  
taken out and this tube restored to its normal  
condition, hearing will be destroyed forever.  
Nine cases out of ten are caused by Catarrh,  
which is nothing but an inflamed condition of  
the mucous surfaces.

We will give you Hundred Dollars for any  
case of Deafness (caused by catarrh) that can-  
not be cured by Hall's Catarrh Cure. Send for  
circulars, free.

Sold by J. F. CHENEY & CO., Toledo, O.
